LOVE THE GREEN VIBES

By **DECOR-REST®**
FURNITURE LTD

A new fabric collection for a new generation of environmentally conscious consumers that combines trusted performance with sustainability to ensure a better future for everyone.

Made with a minimum of 30% recycled fibers: high-quality polyester yarn made from recycled post-consumer plastic bottles.

A SUSTAINABLE LINE OF FABRICS THAT ARE:

- DURABLE
- WATER REPELLENT FINISH
- STAIN RESISTANT
- EASILY CLEANED

AND ENVIRONMENTALLY FRIENDLY!!!

Decor-Rest's continued effort to reduce its carbon footprint and design products for the betterment of tomorrow. It's about doing the right thing to conserve our natural resources and be a part of positive change. **Love the green vibes, because there is no Earth B.**

CARE & CLEANING METHODS

All spills should be treated promptly for best results and ease of removal.
Most spills can be cleaned by gently lifting the spill with a paper towel,
or a clean, dry, absorbent cloth.

The use of a paper towel, or clean, dry, absorbent cloth alone may not completely remove the spill.
For further treatment, these guidelines are suggested for best results.

LIQUID SPILLS

STAINS, WINE, COFFEE, MILK, BLOOD, SODA,
BEER, URINE, TEA, JUICES, KOOL AID

NON-LIQUID SPILLS

KETCHUP, ICE CREAM, CHOCOLATE SYRUP/CHOCOLATE,
SALSA, JELLY, CRAYOLA MAGIC MARKER, DIRT/MUD,
PIZZA SAUCE, NACHO CHEESE

* The removal of dried non-liquid spills may require the use
of a soft brush or butter knife on the affected area before
following with wet treatment

MIX

Use a water based soap mixture
that combines 1 tablespoon of a
liquid detergent such as Tide with
16 ounces of lukewarm water.

BLOT

Dampen the cleaning cloth in
the mixture and gently blot the
soiled area. Avoid rubbing the
affected area aggressively.

RINSE

Rinse the area with a clean,
damp cloth to ensure that all
of the soap residue has
been removed.
